SANDALWOOD HIGH SCHOOL

Spanish I & II

Mr. Raymond ALFONSO

Dear Parents/Guardians:

During this Spanish course there will be a number of films selected to dramatize certain aspects of Hispanic culture to serve as in-class field trips. My objective in showing these films is to offer the students an opportunity to understand better the variety and richness of Spanish-speaking peoples. For example, *Selena*, when shown, will dramatize the advantages and challenges of growing up in a Chicano family. In most cases, students will be tested or will have to write a form of critique on films shown in class.

Keeping DCPS Board Policies in mind, it is necessary to inform you that some of these films are rated PG-13 usually due to adult language or violence. Please choose the appropriate action below and your signature will authorize your child to view or not to view these films. If you choose the latter, your child will be excused from class and given an alternative assignment to cover the missed material.

Sincerely,

Raymond Alfonso
