YouTube Activities #8, *La Quinceañera*

1. Which city is our host in?

2. Which ancient civilization populated this city long ago?

3. Before he talked about the Quinceañera, which holiday did he talk about first?

4. How old does the girl turn during her quinceañera?

5. In ancient Spanish culture, what were the two choices that the girl had to make when she turns fifteen?

6. What is the name of the girl who is turning fifteen that Stefan visited?

7. In the traditional Catholic celebration, what color dress did girls have to wear?

8. Describe the dress that the girl is going to wear:

9. Stefan was invited by Sergio to which other popular Mexican tradition?

10. When they were talking, Sergio mentioned: how much was this party going to cost him?

11. Sergio is most looking forward to what part of the party?

12. Traditionally, the girl is accompanied by only one male escort. How many does Karla have for this particular party?

13. What stress-related growth does Karla's mother develop (because she's so stressed out!)?

14. Karla, as a teenager, is very worried about many things, especially *this*, which depends on how successful her party is.

15. What was the first stop before the celebration? Also, describe what happens there:

16. What is the priest's opinion of the quinceañera celebration?

17. Extra Credit: What is the name of the waltz to which the father and daughter danced?
